School Event

Pyjamas, popcorn and pals at Seth Anandram Jaipuria, School, Kanpur

On a comfy note, Pre-Primary students of Seth Anandram Jaipuria School enjoyed a Pyjama Party. They were all set in pyjamas to enjoy their day with their friends and favourite toys. Children were dressed in sleepwear, cuddling their favourite soft toy and bedtime storybook. They swayed to the pyjama songs and were thrilled to play games like Musical Chairs, passing the pillow, and sharing their favourite toys with friends, having a lot of fun. The cherry on the cake was when they enjoyed watching a film while munching on their favourite snacks. Seeing the little tots cuddle up with their soft toys and pretend to sleep while listening to a bedtime song was truly mesmerising.

Christmas Celebrations at Seth Anandram Jaipuria, School, Kanpur

Seth Anandram Jaipuria School celebrated the festive spirit of Christmas with an enchanting event, "Joyful Jingle Jam." The program, which included a delightful blend of music, creativity, games, and dance, spread joy and excitement among students, parents, and staff.

The event commenced with a warm address by Principal Ma'am, who welcomed everyone and bestowed her heartfelt wishes for Christmas and the New Year. The spirit of the festival was brought alive with a soulful performance by the school choir, singing melodious Christmas carols.

The event's highlight was the Parents Ramp Walk, themed Retro, where parents adorned vintage outfits and confidently walked the ramp, creating a nostalgic atmosphere. Another engaging activity, "Throw the Balloon", added laughter and energy as participants raced to wrap a dupatta within a minute.

The event concluded with a heartfelt Vote of Thanks by Vice Principal Ma'am, expressing gratitude to all participants, parents, and the organising team for making the day memorable.
